ADA

The Village of Orland Park Recreation Department advocates for full participation under the Americans with Disabilities Act (ADA). A request for ADA modifications or assistance at a program is required at the time of registration. Please mark the ADA box on the registration form. Early registration, along with a request for accommodation, is strongly suggested to assure that appropriate modifications are secured prior to the start of the program.

We recommend at least two weeks is needed to have modifications in place. Every attempt at reasonable modifications will be made so that individuals may participate in a desired program. It may not be possible for the participant to attend the program until modifications are provided.

INCLUSION

The Village of Orland Park Recreation Department understands that not every person with a special need or disability condition requires or desires special recreation programming. The Recreation Department welcomes participation in all programs by individuals with disabilities and special needs. The Special Recreation division provides inclusion aides to assist the participant with the program activities and will make reasonable modifications to make sure it is an optimal experience for the individual.

BIRTH CERTIFICATES

A certified copy of the birth certificate issued by the county in which the child was born will be required for all children 5 years and younger at initial registration. **HOSPITAL COPIES WILL NOT BE ACCEPTED.** If your child was born in Cook County, IL, you may call the Cook County Clerk's Office 708.974.6150. If your child was born in Illinois, but outside Cook County, call the Department of Vital Records of the county in which your child was born. Birth certificates may also be requested if a child's age is in question.

BEHAVIOR POLICY

The Village of Orland Park Recreation Department has an established behavior policy relative to inappropriate behavior, which is defined as that which disrupts a recreation program and which requires a program leader to call for a stop to the behavior due to its effect on other participants or on the leader's ability to conduct the program. Such behavior may call for immediate and/or permanent dismissal of the participant. Additional rules may be developed for individual programs and athletic events as deemed necessary by staff. For more information on the policy please call 708.403.7275.

EDITORIAL POLICY

Although the Recreation Department makes every effort to ensure the accuracy of the information in our publications, an occasional error may occur. In the event that this happens, we will advise you of the change as quickly as possible. Thank you in advance for your patience and understanding.

EMAIL RECEIPTS

In our efforts to "Go Green" the Recreation Department is working toward paperless communication. We are requesting registrants submit their email address at time of registration. Once registration for a program has been completed, an email confirmation will be sent.

GIFT CARDS

GIFT CARDS are redeemable for merchandise or services at the following locations: Sportsplex, Centennial Park Aquatic Center, and Recreation Administration Offices. They can be purchased at the Sportsplex and Recreation Administration offices during business hours. Gift cards are not refundable and cannot be redeemed for cash, used at Village concessions and special events, or as payment for online registration. For additional information, call the Recreation Department at 708.403.7275 or 708.645.7529.

RECREATION ADVISORY BOARD

The members of the village's Recreation Advisory Board are appointed by the Mayor, with the advice and consent of the Board of Trustees. This group recommends improvements in leisure time activities, services, facilities and programs to the Village Board, which then make the final decision. The Recreation Advisory Board meets on the first Tuesday of every other month at 7:00 PM at the Recreation Administration Office. The public is invited to attend. Please visit our website for scheduled meeting dates.

THANK YOU VOLUNTEERS

An integral part of the Orland Park community, these volunteers ensure the quality and safety in our programs while giving freely of their time and energy. NON-RESIDENT MEMBERSHIP

To offset the cost of recreation programming, the Village of Orland Park offers a non-resident membership fee of \$300.00, per family. Once a membership has been purchased, your family is entitled to **resident fees for recreational programs from three (3) consecutive seasonal brochures during non-resident registration dates. Also included is one Preschool, Day Camp, and After School Pals registration per child at resident fees, and Orland Park based youth athletic group non-resident fees.** This does not include **Sportsplex Memberships, Centennial Pool Memberships, Orland Park Health and Fitness Center**, rentals, parties, or any daily fees. Any non-resident fees paid prior to purchasing a membership card will not be credited toward the membership. Memberships are non-refundable and available for purchase during regular registration hours at either recreation department administration office.

WAITING LISTS

If a program is full, names may be placed on a waiting list. The Recreation Department staff does attempt to place individuals on waiting lists into already existing programs. When this is possible, you will be called. However, due to schedule restrictions, it is not always possible to accommodate all individuals on waiting lists and in such cases those individuals will not be called.

RESIDENTS VS. NON-RESIDENTS

To qualify for the resident rate for a Recreation Department program, participants must reside within the corporate limits of Orland Park. Those residing outside of these limits are considered non-residents. Those unsure whether they reside within the boundaries of Orland Park, please call the Recreation Department office at 708.403.7275 so that a boundary map can be consulted. All non-residents must pay the non-resident fee listed in the program information unless a non-resident membership has been purchased. This benefits the resident and should not be considered an inconvenience.
